The SAVE America Act is legislation that has passed the House of Representatives but has not yet passed the Senate.

It would require people registering or updating their registration to vote in federal elections to provide documents proving they are U.S. citizens. It would also require voters to show government-issued photo identification when casting a ballot in a federal election.

Based on what you know now, do you support or oppose the SAVE America Act?

Supporters and opponents of the SAVE America Act offer different views:

Some say only U.S. citizens should vote and election officials should verify citizenship using documents rather than relying on applicants to declare that they are citizens.

Others say noncitizen voting is already illegal and rare, while requiring additional documents could make it harder for eligible U.S. citizens to register and vote.

Having considered both perspectives, do you support or oppose the SAVE America Act?
